Fragile state - Wikipedia A fragile state is a developing country characterized by weak state capacity or weak state legitimacy leaving citizens vulnerable to a range of shocks. The World Bank, for example, deems a country to be "fragile" if it (a) is eligible for assistance (i.e., a grant) from the International Development Association (IDA) (b) has had a UN peacekeeping mission in the last three years, and (c). States of Fragility Report - OECD The States of Fragility report provides cutting-edge evidence and analysis to inform and challenge donor policies for working in the most difficult places: fragile situations. It helps promote better understanding of the drivers and fresh ideas about solutions to fragility. What is a fragile state? | Let's Talk Development Much like Tolstoy's quip that each 'unhappy family is unhappy in its own way', a fragile state is fragile in its own way (see this paper, by the World Bank's Michael Woolcock for more). Therefore, it is all too often unhelpful to reduce the definition of fragility to standardized, static lists or indicators " in so doing, we miss the complexities and nuances of fragility in some.

States of Fragility Reports - OECD States of Fragility 2018 exposes the critical challenge posed by fragility in achieving the aspirations of the 2030 Agenda, sustainable development and peace. It highlights twelve key aspects of fragility, defying common assumptions and simplistic categorisation. Rethinking how to reduce state fragility - Brookings In January, the Global Economy and Development program at the Brookings Institution and World Vision convened two dozen experts to explore how to approach state fragility. U.S. Leadership and the Challenge of "State Fragility ... The new administration, a coming change in leadership at the United Nations, and an emerging global consensus about the fragility challenge make this an opportune moment to recalibrate our approach.

The determinants of state fragility | VOX, CEPR Policy Portal The causes and implications of state fragility " also known as state failure " are not yet well understood. This column explores the determinants of state fragility in sub-Saharan Africa and finds that institutions " as measured by civil liberties and the number of revolutions " are the main drivers.
